

an opportunity to submit comments on the possible impact of the proposed actions.

If the Committee approves the proposed additions, all entities of the Federal Government (except as otherwise indicated) will be required to procure the commodities and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities. I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action will result in authorizing small entities to furnish the commodities and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List. Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

The following commodities and services have been proposed for addition to Procurement List for production by the nonprofit agencies listed:

Bureau of the Census

[Docket No. 990831240-9240-01]

Service Annual Survey

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of consideration.

SUMMARY: The U.S. Census Bureau is considering a proposal to conduct the 1999 Service Annual Survey (SAS). The results of the service annual program currently are published on a Standard Industrial Classification basis. Beginning with the survey year 1999, we will publish data using the new North American Industry Classification System (NAICS). With NAICS implementation, SAS will incorporate the previous Transportation Annual Survey and the Annual Survey of Communication Services into one service program. There will be an additional 149 new and emerging industries added to the Service Annual Survey, including Air Couriers, Publishing, Sound Recording, Waste Management and Remediation Services, and selected Financial Services. An Information Sector also will be added to the survey.

DATES: Written comments must be submitted on or before October 25, 1999.

ADDRESSES: Direct all written comments to the Director, U.S. Census Bureau, Room 2049, Federal Building 3, Washington, DC 20233.

FOR FURTHER INFORMATION CONTACT:

Ruth Bramblett, Chief, Current Services Branch, Service Sector Statistics Division, on (301) 457-2766.

SUPPLEMENTARY INFORMATION: The Census Bureau is authorized to conduct surveys necessary to furnish current data on subjects covered by the major censuses authorized by Title 13, United States Code, Sections 182, 224, and 225. The SAS will provide continuing and timely national statistical data for the period between the economic censuses. The next Economic Census will occur in the year 2002. Data collected in this survey will be within the general scope, type, and character of those inquiries covered in the Economic Census.

Beginning with the survey year 1999, we will publish SAS data using NAICS. The structure of NAICS was developed in a series of meetings between the United States, Canada, and Mexico in the early to mid-1990s. NAICS recognizes the rapid changes in both the U.S. and world economies by providing a means to classify new and emerging
